

NEW GOLD MILK FOR A CREAMY, RICH COFFEE

Not all coffee blends are the same, so we have developed Riverina Fresh™ Gold.

Riverina Fresh™ Gold has been specially crafted to deliver a rich, creamy mouthfeel that complements strong coffee blends, yet allows light, subtle flavours to shine.

Gold, Full Cream, Light and Skim milk are available in 2L and 10L.

FREE TRIAL

Register by phone or website now to trial Riverina Fresh™ Gold milk in your café.⁽¹⁾
